ABOUT

Currently designing for various companies in New York City; I am a passionate Industrial Designer working in the fields of consumer products, automotive design, graphic design and concept art. I have had the great opportunity to work for important companies such Colgate, John Deere, Panasonic, Harley Davidson, OXO, Groupe SEB, Esenses, MUMA, among others. In 2011, I received with honors a Bachelor's degree from ICESI University in Colombia. My accolades include publications in Cardesignnews, Designboom, The Globe and Mail (Canadian National's Newspaper), Intersection Magazine-USA, Autobuzz-France, El Tiempo (Colombian National's Newspaper), Motor Magazine- Colombia, Zupi Magazine-Brazil, CMYK magazine - USA among others. I have also won various national and international design competitions such as L.A.M.P, the Michelin Challenge Design, which was featured in the International Auto Show NAIAS in Detroit, Michigan.
