THE INSIDE SCOOP

Wenni is a designer with a combined experience of interaction design, industrial design and fine art. She is currently working for Google. She loves doodling about her life. Check out some examples from 2014 and 2015.

PORTFOLIO

Hello!
I am Parsons now
I am busy with bootcamp recently.

SERENA
LIU

ABOUT ME

Challenges

picture can't be put in center-**solved**

Draw an animation boarder-still working on

some arrangements are not ideal-still working on

make it grey- hover- color boarder-still working on
make it grey- hover- draw borderline-still working on

THANK YOU
